Hear from our corporate customers

The GT Family Day at Emerald Park was a brilliant experience for all of us. It was fantastic to be able to bring our families to all the rides, shows, zoo and attractions. There was something for every age. We had over 1000 attendees and the organisers did an amazing job at accommodating all of our needs to make it a special day.

Brian O'Dwyer, Partner
Grant Thornton

The team at Emerald Park work so hard to provide an amazing guest experience. We had a really incredible event with colleagues, friends and loved ones of all ages – the team did everything to make many magical moments for everyone, memories that will last well beyond the event.
